Dear Supporter,

DURING the month of May we will be embarking on a week of spectacular events at the Deepdale Stadium.

On Monday, 12th May within a huge marquee to be erected on the Deepdale turf, will be one of the biggest Sportsman's Dinners ever to be held in the UK.

On Tuesday, 13th May, again within the marquee, the Northern Dance Orchestra will re-create the music of the 40's when you will be able to dance to the sounds of Glen Miller, Tommy Dorsey and Count Basie.

On Wednesday, 14th May, once again in the big marquee, it will be the turn of Country and Western fans, when Randy Blue and Deepwater and West Coast Country help create another evening to remember at Deepdale.

On Sunday, 18th May it's a day for all ages to enjoy when we stage a Family Gala Day on the Deepdale pitch. There will be Marching Bands, Dog Handling, Local School Gymnastics and It's a Knockout.

Finally from Monday, 19th May to Friday, 23rd May inclusive, the famous North End turf will be sold. If you would like a part of North End's history or even want to turf your front garden, be at Deepdale between 5.30pm and 9pm.

You may be wondering what all the events mentioned above have to do with football. Some directly involve sports personalities by the sheer nature of the event, some don't, but what they all have in common is that they are raising money for North End. In the process of raising that money, we hope that as many people as possible, from as many age groups as possible can enjoy the facilities that Deepdale has to offer.

We hope you will come and join us in what we think will be a great week for entertainment.

David Bradshaw, Commercial Manager.

TODAY'S OPPOSITION

SOUTHEND UNITED

researched by Geoff Allman

SOUTHEND may not be enjoying the sort of success that manager Bobby Moore experienced in his England World Cup days of 20 years ago, but at least they are relieved to be playing again after suffering more than most other clubs from postponements during the long freeze-up.

Founded in 1906, Southend played in the South Eastern League and the Southern League before becoming founder-members of Division Three (South) in 1920. They stayed there throughout that Division's existence until the re-organisation in 1958, finishing as high as third in both 1931/2 and 1949/50.

They were then allocated to the new Division Three and it was not until their relegation to Division Four in 1966 that they played anywhere else but Division Three.

It took them until 1972 to regain their Third Division place and then after relegation again in 1976 they were promoted again in 1978, relegated in 1980, promoted in 1981 and relegated in 1984.

Last season they avoided a re-election application by winning the last game at Torquay after five successive defeats had plunged them into serious danger.

THIS SEASON

Last Saturday's 2-0 win over Aldershot lifted them to eighth place and they seem now to have holted as unhappy run that saw them lose five home games out of nine at the turn of the year. Away performances have seen wins at Cambridge, Exeter, Halifax, Aldershot and Burnley, though since that Burnley win four months ago they have picked up just two away points from draws at Peterborough and Tranmere.

Much-travelled ROY McDONOUGH (ex-Birmingham, Walsall, Colchester and Cambridge) and ex-Orient man RICHARD CADETTE are likely to be up front today, together with ALAN ROGERS (ex-Plymouth and Portsmouth). Both Roy and Alan scored against us at Roots Hall in March. In midfield GLENN PENNYFEATHER links up with one-time Arsenal man DANNY O'SHEA.

Former West Ham stalwart FRANK LAMPARD wears a number 6 shirt these days alongside PAUL CLARK (back from Brighton in 1982), homegrown WARREN MAY and skipper STEVE HATTER (who came from Wimbledon last seaon). In goal JIM STANNARD came from Fulham this season after two spells on loan.

CANON MAKE IT HAPPEN

We are delighted to welcome boys from St. Peter's and St. Ignatius for this afternoon's Canon Invitation Day match. To be able to play on a League ground and to show off their skills before an admiring audience is a dream come true for today's squad of under 11's and it's all been organised by Canon (UK) Ltd., the League's sponsors, and the organisation of the concept by the English Schools Football Association.

What are Canon Invitation Days? Quite simply a series of six-a-side games played by squads of eight, who will all get on the field during some stage of the ten minutes each way matches. A Canon Invitation Day match is being staged at five North End home games, today's is the second so far.

For the fans Canon Invitation Days provide pre-match entertainment. For the boys it is an exciting opportunity to tread the same turf as their heroes. For us, as a club and all the other Canon League clubs who are participating in the scheme, it will strengthen the growing ties between us and the local Schools Associations, which can only be good for the future of League football.

Today's game is not part of a competition. It is an exhibition. Each of the boys who play will receive a commemorative medal and, of course, they will stay on as our guests to enjoy the Canon League match against Southend. For them, it will be an unforgettable day.

The English Schools Football Association are involved in the arrangement of some 350 Canon Invitation Day games. Some 5,500 boys will eventually participate. It represents a major feat of organisation which will cost, across the country, around £30,000. The entire cost will be borne out of Canon (UK) Ltd. sponsorship funds.

The boys are the game's future players. Their friends and relatives are the game's future spectators. Canon (UK) Ltd. and the English Schools FA are to be congratulated on their respective contributions to such a worthwhile enterprise.

CANON INVITATION DAY MATCH

Dick Clegg, Secretary P.S.F.A.

ONLY a small percentage of the P.N.E./Cambridge crowd saw the delights of sixteen under 11's from Queens Drive and St. Joseph's Primary Schools battling out a six-a-side match before the new floodlights on Tuesday. Queens Drive won 2-0 but all the players were winners and the Preston Society referee orchestrated the exhibition. On behalf of both schools and the association may I thank everyone involved, particularly the staff and directors of the club. All sixteen players slept pleasantly and soundly on Tuesday night.

Today is the second encounter in the series of five games when St. Ignatius' will meet St. Peter's. Prior to reorganisation in the late fifties and early sixties, St. Ignatius boasted two secondary schools who vied almost exclusively for honours in the major P.S.F.A. tournaments. Very few Town Teams competed without representatives from these two schools.

St. Peters was a small school without the vast numbers of St. Ignatius or St. Ignatius Central, but I am sure the lads our there this afternoon will be eager to establish the new St. Peter's on the modern map.

TODAY'S TEAMS:

St. Ignatius (Green/Yellow) - John Fowler, Stuart Fowler, Vinay Soni, Darren Towey, John Towey, Michael Ellithorn, Jordan Joseph, Stuart Hooper.

St. Peter's (Red/White) - Andrew Nightingale, Christopher Olive, Ben Astley, Phillip Saunders, Michael Lloyd, Shaun Cornthwaite, Andrew Hollinghurst, James Hodgson.

TODAY'S MASCOT

Today's mascot is nine year old Paul Jackson.

A keen footballer, Paul plays for his school St. Anthony's and for 7th Fulwood Cubs. His hobbies include playing computer games. His favourite North Ender is Gary Brazil.

100 YEARS AGO

compiled by Ian Rigby

THE game all the locals were waiting for came off on 6th March, 1886 at the Leamington ground, home of Blackburn Rovers. The game was the semi-final of the Lancashire Cup competition and it was to be a day of mixed fortune. If North End fielded their usual eleven, some of which were ineligible to play in the cup, the tie would be awarded to the Rovers after a protest, so all the spectators were curious as to the composition of the North End team. If they played their "cup team" they knew that they would have most probably suffered defeat. All rumours were settled however, when North End fielded the following team:

P.N.E: Rose, N. Ross, Drummond, Robertson, Russell, Graham, Gordon, J. Ross, Thomson, Dewhurst, Goodall.

The reasons for the steps taken by the North End committee in playing their best team, were laid down in an official letter which was handed in to the secretary of the Lancashire F.A. at half-time.

The letter read: "Dear Sir, I am desired by my committee to formally 'scratch' to the Blackburn Rovers in the semi-final of the Lancashire Cup tie, to be played today. We are unfortunately weakened by Howarth, one of the best of our qualified team being unable to play, and we have reason to believe that in the event of Ross, snr. playing, a protest will be lodged against his eligibility, by the Rovers. We do not wish again to undergo the ordeal of a protest, and would have withdrawn from the competition earlier had it not been that the Lancashire F.A. would have suffered financially had we done so. My committee have, therefore, determined to play the match with the ordinary team, in order that the Lancashire F.A. may have the benefit of the gate. Yours truly, F. Dewhurst, Secretary of the North End F.C."

As for the game itself, North End turned out in white shirts, discarding their usual red and white jerseys for once. The ground was covered by a thin blanket of snow, the sun shone bright and a strong wind was present. It took North End just 12 minutes to open the scoring, the goal coming from FRED DEWHURST.

The conditions dictated play and the pace became slow. The Rovers should have equalised, but the home centre-forward spurned his chance. Soon after this miss, the ball was won by Goodall and his pass led to J. ROSS scoring after 28 mins. A couple of Rovers' attacks ended in free kicks being won, but the nearest they came to scoring was when they hit the post. Half-time arrived with Preston threatening the Blackburn goals.

The second half was evenly contested with Blackburn making use of the wind advantage, but powerful kicking from N. Ross and Drummond eased the situation more than once. GORDON scored after 65 minutes after a misunderstanding in the home defence. The Rovers tried to get back into the game, scoring a good goal and having one disallowed after a consultation by the officials. PNE won a couple of corners late into the game and with the pressure on a fourth goal was scored by DEWHURST. In the last minute of the game Rose was deceived by a long shot and was beaten for the second time.

--o--

ON Monday, 8th March, 1886 Dewhurst and Rose were chosen to represent ENGLAND in the international v Ireland in Belfast on 13th March, 1886, thus becoming the first men from Preston North End to do so.

--o--

ON 9th March, 1886 North End crossed the Pennines to play against Sheffied Wednesday at Bramall Lane.

P.N.E: Rose, Holmes, N. Ross, Drummond, Russell, Graham, Gordon, J. Ross, Thomson, Dewhurst, Goodall.

PNE used the strong sun to great advantage in the first half going in 3-0 up, with goals from THOMSON, GORDON & J. ROSS. The home side could not break through the powerful Preston defence and had to accept defeat.

Result: 3-0 win.

AGNEW'S VIEW

Paul Agnew
Lancashire Evening Post

IT might not offer much in the way of comfort in this troubled time, but Preston North End are far from alone in their worry and distress.

Lancashire town football is taking something of a battering right now.

Burnley and Blackpool are spluttering, Bolton struggling and Blackburn Rovers - well, what on earth has gone wrong over at Ewood Park.

Rovers set off the season as promotion possibles but, like Preston, they have found 1986 to be nothing short of disastrous.

A run of shocking results has left them on the brink of relegation.

So, Brian Kidd isn't the only local manager with a king-size headache, although far be it from me to suggest that any of the aforementioned clubs have touched Preston's rock bottom level.

The only ray of sunshine piercing the general gloom is over at Springfield Park where Wigan march on and on.

And whatever the local government officers might tell us, Wigan will always be in Lancashire as far as I am concerned.

At this moment especially, the county needs it to be.

'A' TEAM REPORT

by Peter Corbett

Lancashire League - Division Two
Preston North End 'A' 1 Blackpool 'A' 4
at Deepdale, Saturday, 15th March, 1986
Team: As inside back cover

WITH a much changed side Preston were hoping to halt the recent crop of defeats.

Immediately from the kick-off they had a glorious chance to take an early lead, but Jemson failed from close range and the opportunity was lost. This proved to be the first of a catalogue of misses which was to be a feature of North End's play and in the final reckoning contributed to their eventual downfall.

It was a match, especially in the first half, when North End had most of the possession but in the end finished with nothing to show. As it was Blackpool scored the only goal of the half from one of their few excurisons into the Preston area. Melling departed from the proceedings in the 40th minute, after a facial injury, to be replaced by Parry a young trialist, this resulted in a reorganisation of the team, but was no excuse for the side going in at half-time in arrears. Even the most partisan Blackpool supporter would have conceded that they were fortunate to be in front, a true reflection of the score should have been at least 4-1 in Preston's favour from the chances created, but not accepted. The finishing was really dreadful.

In the second half the Blackpool team, who proved themselves to be the stronger and more experienced of the two sides, began to dominate the play increasing their lead in the 55th minute. With Woodruff embarked on a mission to nowhere and completely out of position, the Blackpool forward had a simple task to slot the ball home. Thereafter Preston came more into the game and it was no surprise when they at last scored, a corner from the right being headed beautifully into the net by Jemson. The jubilation was short lived, for the visitors immediately retaliated scoring a third goal after some sloppy play by Brown. This further setback proved to be the death knell of Preston's hopes from salvaging anything from the encounter, and before the final whistle Blackpool had scored an additional goal, winning by a distance, Preston sunk without trace and stumbled to an embarrassing scoreline and a defeat.

The overall play was generally mediocre and they paid the penalty for indifferent finishing in the first half and poor defending in the second. Anderton, however, had a much improved game over recent performances and Pilling can look back with a certain degree of satisfaction. Allen is perhaps in need of a rest after having had to play in a surfeit of matches and Jemson up front lacks a suitable attacking partner. In the space of week we have progressed from a team of high hopes to one of despair. Life must however go on, so it's back to the drawing board. Hope springs eternal!

5/10/20 YEARS AGO

compiled by Mike Payne

26th March, 1966.
PRESTON 1 v MANCHESTER UNITED 1
F.A. Cup 6th Round. **Att: 37,876**

CUP FEVER once again gripped Preston as the biggest club side in the world visited the old Deepdale stadium for another monumental cup-tie. Best, Law, Charlton, Stiles, Crerand, Foulkes ... they were all there to meet a Preston side brimming with cup-tie confidence. Almost 38,000 people crammed into Deepdale and they were soon cheering as Alex Dawson saw a header cleared off the line by Tony Dunne. Ernie Hannigan was at his best and he gave Dunne and Stiles a tough time throughout. In fact "Our Nobby" was booked in the second half after callously bringing the forward down.

The game was too full of tension to be a good one but there were chances to score at both ends. Alan Kelly saved from Best before North End took the lead in the 40th minute. Brian Godfrey put over a cross to Dawson who headed it back to the incoming Alan Spavin. He seemed not to want the responsibility and promptly gave it back to Dawson who unceremoniously crashed the ball past Harry Gregg. The crowd were delirious, but after the break United did better and it was no surprise when David Herd equalised. Despite further chances the sides settled for the draw and a replay at Old Trafford.

Team: A Kelly, G. Ross, J. Smith, N. Lawton, T. Singleton, H. Kendal, E. Hannigan, B. Godfrey, A. Dawson, A. Spavin. F. Lee.

20th March, 1976
PRESTON 0 v GRIMSBY 0. Div 3. Att: 6,586

THERE were chances galore for Preston in this game against relegation strugglers Grimsby, but a combination of poor finishing and brilliant goalkeeping by Harry Wainman gave the visitors a lucky point.

Alex Bruce, Mike Elwiss, John Smith, Gordon Coleman and Jimmy Brown all should have scored, but ironically Grimsby's Joe Waters came closest to scoring when he hit a post after 64 minutes.

Bruce did finally get the ball in the net in injury time, but the "goal" was ruled out because of handball by Elwiss. It was just not North End's day.

Team: R. Tunks, J. McMahon, G. Williams, S. Doyle, D. Sadler, M. Lawrenson, J. Brown, G. Coleman, J. Smith, M. Elwiss, A. Bruce.

24th March, 1981
PRESTON 1 v BOLTON 2. Div. 2. Att: 8,505

THIS was a disastrous result for North End and put them in real trouble at the foot of the table. In the end, on a quagmire of a pitch, they were very unlucky to lose, but it was no consolation to them.

Peter Reid gave them the lead right on the half-time, but after the break Preston took control. They dominated the game but were rocked back when Bolton scored a second against the run of play, through Alan Gowling.

North End kept plugging away and Alex Bruce gave them hope when he pulled one back. But, hard though they tried, they just could not find the equaliser.

Team: R. Tunks, S. Westwell, F. Burns, G. Bell, M. Baxter, J. Anderson, S. Doyle, G. Coleman, A. Bruce, P. McGee, W. Naughton. Sub: J. Blackley (for Anderson).

LETTERS PLEASE!!

I know it's not always easy to find time to put pen to paper and write a letter, but it would be really great if for the remainder of the season, the questions you'd like answered about North End could be printed in the matchday programme.

So please, send me your letters, and I'll do my best to get the question and answer printed in the first available issue.

Write to: The Editor, PNE Programme, Deepdale, Preston.
